The Dexter is the mine of prominence just now and several old Nevadans, now residents of Salt Lake are owners in They predict that the camp will ome one of the biggest in Nev-

The new town established at Robinson District near Ely, where the Chainman group is situated has been capitalists whose money backs the new enterprise.

Whether the mines come up to the activity and life this Summer. It

From a recent visitor there we learn that the millsite is graded and ready for building; several lumber houses are up and doing business at Lane; the dam and water ditch for generating electric power are about ready for use, and the 450 tons of freight which the Company has enroute from San Francisco, is arriving on better time, freight differences between the R. R. Co. and the teamsters having been adjusted.

As usual however, litigation is not to be escaped and the Mormon Church, which has succeeded to the rights of Murry Creek which runs through Ely objects to the use of the water for generating power, or for any other purpose without heavy compensation and has entered an injunction suit to restrain the mining Company from turning out of its natural bed, any part of the stream. The Church claims the Uniforms, \$180.00. water in connection with argicultural land below, and as the proposed use of the water will not affect the flow to lands, the Mining Company will fight the suit.

Held For Nora Ahern's Death.

Louie, the Frenchman whose full name is not given, is held at Ely Joe Conaway was up from Meadow as the supposed murderer of Nora Valley Wash last Saturday and took | Ahern the aged woman whose body home his daughter Liddie who has | was found near Eberhardt, early this been visiting here for several weeks. | month. Of him the White Pine News says:

Louic has been Nora's constant companion for over 30 years prior to her mysterious disappearance, and is the only person known to have any was killed. Louie appears to be the saved us several times, and now, old chute, though close against it Mrs. Helene Cohen has been sued at last person who saw Nora alive, and Salt Lake for \$1500 by Powers & Lipe not only went directly to the spot where the body was found, but has control to effectively protect the country, largely porphyry, is found, narrated several different stories as to the manner in which she met her

He is regarded by those who know him best, "non compesmentis", and is known in Hamilton and vicinity as the crazy Frenchman.

Washoe County Gold Find. Good reports from the western part of the State reach us through
